

Victorian Veteran Golfers Association State Championships Held At Benalla Golf Club

Monday & Tuesday September 18 & 19 were two big days at Benalla Golf Club with the Victorian Veteran Golfers Association conducting a round of the State Championships.

Nearly 100 Golfers from all around Victoria, representing all the Golfing Districts in the State gathered for the two day event.

In appreciation of the services provided to the Championships by the Club, a number of appreciation plaques were presented to reps of the Bistro, Bar and Golfing Departments.

Photographs below show the reps with the plaques and a photograph of the VVGA Presentation crowd within the Clubhouse.
